

Important Information You Need to Know NOW

DEAR ARTIST

We look forward to hosting you April 11 &12 at the Old Florida Celebration of the Arts. Attached you will find our 2026 *Exhibitor Information, Booth Assignments and more*. We also wanted to make sure you are aware of the following “Important Things to do NOW!”

ASAP:

- **Make your lodging reservations early.** A list of local accommodations is available on the Chamber of Commerce website at <https://www.cedarkey.org/stay/>. There are two local RV parks and several of the CK motels can accommodate small trucks/vans/trailers. Some local motels require a 3-night stay but will give you a discount on the third night if you are a participating artist, so be sure to ask. Lodging in Chiefland, 30 miles away, is a bit less expensive.
- To make a reservation for an **RV or Trailer parking spot at the Cedar Key Marina**, which is one block from the venue, you should contact the City of Cedar Key directly at 352-543-5132 (we are no longer able to facilitate these reservations). There are no hook-ups here and “dry-camping” is discouraged, but the location is super.

HELP US PROMOTE THE EVENT:

- On your website and social media – www.CedarKeyArtsFestival.com
- With the attached Evite to send to your clients
- By printing and posting the attached **Promotional Poster** where they will be seen by potential visitors to Cedar Key for the Old Florida Celebration of the Arts, April 11 &12. If you would like additional posters sent to you, please let us know how many and where to send them..

ATTACHED:

- Detailed Exhibitor Information Sheet for Festival Weekend
- Booth Assignments & Overview Map of 2nd - We’ve tried hard to match your 2026 Booth Location to your request on Zapplications. Please be aware that if you were with us in 2021,2022, or 2025 the Booth Numbers were different. We have gone back to our traditional layout with all booths on 2nd St and all booths against the curb so if you requested “the same location as last year” your booth assignment will be exactly or close to where you were but the Booth number may be different.
- Evite (as described above)
- Promotional Poster (as described above)

See you soon! Questions: https://CedarKeyArtsFestival@gmail.com
